Organised by

Notice of Race

Lille, August 30th, 2019

DWS Dyna Wing Sail is a start-up that develops an outdoor video game with battle yachts in mixed reality. The Battle Yacht Club is a community-based skipper platform for the battle Yachts.

October 2020, Les Prés du Hem, Armentières (Haut de France).

Combat / race in mixed reality with high-tech battle yachts of type 1m class.

Event open to private skippers and competitive companies of medium-sized and large groups.

Date and duration of the event

From Wednesday 7th to Saturday 10th October 2020.

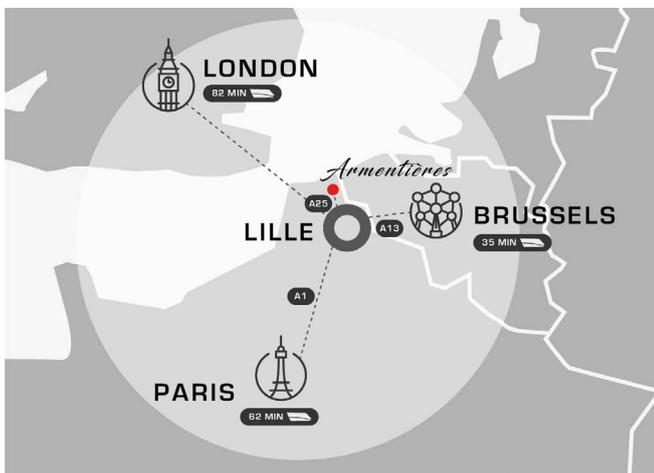

One day of training, two days of qualifying and one day for the semi-finals and the final.

Players

The contest is open to private skippers and companies of medium-sized and large groups, within the limit of 50 to 80 competitors.

Nautical base

At the heart of 120 hectares of nature and around a vast lake, the [leisure base des Prés du Hem](#) in Armentières, offers dozens of fun, naturalistic and sports activities. The contest will be followed by a prize-giving evening in Lille.

Game scenario and race organization

The game type will be race / combat with real sailboats, augmented by artefacts and virtual weapons. Other game scenarios under development may be added to the event. The race organization will be of type "World Cup football" with qualifications, followed by playoffs. The races will be umpiring by referees of the french sailing federation, with simplified rules.

Media coverage and broadcasting

The races will be broadcast onsite in real time on giant screens, augmented by the artefacts and the special effects of the virtual world composing the video game. Our media partner specializing in esports will provide contents for the media and the specialized press.
